

THE COMPANY

1 Founders
Tarloch & Leonie.

2 Our first two-bedroom volunteer accommodation.

3 In August 2013 we were honoured to welcome our first volunteer, Roberto Switzerland.

4 Soon it was time to expand to the second volunteer house.

5 And very soon after we also expanded to the third volunteer house.

6 Tarloch's parents got involved too by hosting volunteers at their family home.

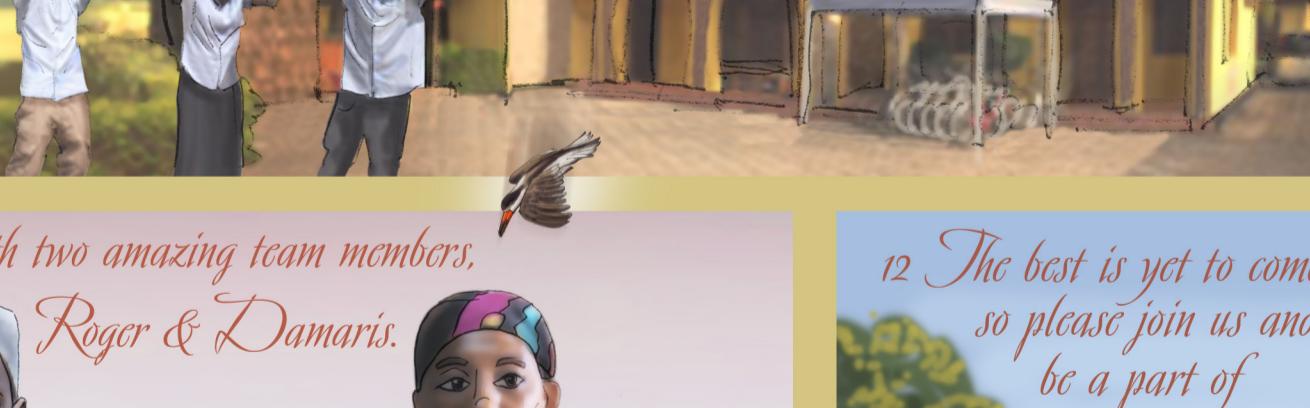

7 Then we moved from three houses to one lodge.

8 Planting flags on the lodge.

9 We also started a second destination on Zanzibar!

10 With two amazing team members, Roger & Damaris.

11 From our lodge we moved to a modern hotel slightly out of town.

12 The best is yet to come, so please join us and be a part of the story!
